Record Status Dashboard (all records)

Displayed below is a table listing all existing records/responses and their status for every data collection instrument (and if longitudinal, for every event). You may click any of the colored buttons in the table to open a new tab/window in your browser to view that record on that particular data collection instrument. Please note that if your form-level user privileges are restricted for certain data collection instruments, you will only be able to view those instruments, and if you belong to a Data Access Group, you will only be able to view records that belong to your group.

REDCap interface showing the 'Wöchentliches Reporting' form for 'Z519_COVID-19: Testkapazität Kanton SO'. The form is titled 'Editing existing Record ID 235-1' and 'Event Name: Woche 48'. The 'Datum des Berichts' is set to '2020-11-30'. The form contains several questions with radio button options, such as 'Wie hoch ist die geschätzte Auslastung der Testkapazität?' and 'Haben Sie Probleme mit der Laborkapazität?'. The 'Form Status' section at the bottom shows 'Complete?' with a dropdown menu set to 'Complete'. The 'Save & Exit Form' button is highlighted in blue.

Close-up screenshot of the 'Form Status' section of the REDCap form. The 'Complete?' question has a dropdown menu set to 'Complete'. A yellow arrow points to the 'Complete?' dropdown, and another yellow arrow points to the 'Save & Exit Form' button.
